Subject: RE: bump stocks: large retailers selling bump stocks

Hi! My notes show that 3 major retailers were selling bump stocks but changed their stance after Las Vegas. I don't know of anyone selling them today.

Subject: bump stocks: large retailers selling bump stocks

Hi Krissy,

Remember when you did the research to determine which large retailers were going to sell bump stocks or not? Do you remember if all 4 large retailers are opting not to sell bump stocks or was it only 2? If it's only 2, have the other 2 changed their stances? I can't remember who the other 2 retailers were.

Thank you,

Jeana
